Matinale

Les Matinales de l'EIFR avec Dr Wolf KLINZ **"European Regulatory Challenges Ahead: Credit Rating Agencies & other priorities from the EU Parliament perspective"**

Programme

Speaker: Dr Wolf KLINZ, Member of European Parliament, Member of the Committee on Economic and Monetary Affairs, Chairman of Special Committee on the Financial, Economic and Social Crisis (2009-2011), European Parliament

Europe is challenged! What are the keys to answering the crisis ? How is the European Parliament impulsing the right answers and priorities? What are they?

Are Credit Rating Agencies issues part of those priorities? There are many issues to be discussed : the need for increased competition in the sector, the creation of an EU Agency, means to reduce over-reliance on external credit ratings, eliminating conflicts of interest, introducing a civil liability regime for CRA.

Dr. Wolf KLINZ, will comment on the current European Commission's proposal for a review of the Credit Rating Agencies Regulation and the proposals of the Committee on Economic and Monetary Affairs.

Contribution: 50 euros
